RUN YOURS

Same format. Your product, your numbers

Every campaign ends with a report like the ones behind these five pages: clicks, downloads, and cost against a stated benchmark

Email placements

Primary Ad in the email newsletter. 97K+ subscribers, 30% open rate, guaranteed 200 clicks a placement

Bespoke carousels

Five carousels on five use cases, each a lead-capture ebook. 240K to 290K views and 2,600 to 3,800 downloads per campaign pair, measured

Recurring waves

Placements timed to your launches, webinars and product moments, across email and LinkedIn

Every campaign closes with a written report in the same format as the five pages before this one: clicks, downloads, and cost against a stated benchmark. Full format detail, benefits and how-it-works for every line on the rate card lives in the media kit
